The Proven Path To Success

All classes are 4 or 8 hours and will be running concurrently, so attendees can participate in one course on each class day during the cruise. Class and event schedule is subject to changes outside of Texas REALTORS® staff control. If changes are made to the schedule, TR staff will contact you via your cabin phone, since cell phones and Internet are unreliable while at sea. Please make sure to check your cabin phone messages frequently – TR staff will not contact you through email or cell phone.
