## Corporate

VERSUS

## Non-Corporate

Covers administrative and fundraising costs.

These investments may only be used to pay for the administrative costs associated with running TREPAC's operations, which include education and fundraising activities.

## Corporate

TREPAC investments are given to local associations from a member's incorporated business account.

**Obtains** allocated corporate funds with approval of expenditures by TREPAC.

**With** proof of expense for fundraising efforts.

**Must** complete a reimbursement form within 3-5 days.

(Local associations with their own political action committees will receive total percentages allotted automatically on a monthly basis.)

Non-corporate funds cannot be used for federal or state candidates.

Funds are to be used by local associations only in local races.

## Non-Corporate

## Allocations

are to be given to local office candidates only.

**As** approved by at least a majority vote of the board of directors of the local association.

**Request** funds by completing the required forms.

**If** the local association has established its own PAC, the non-corporate allocation may be given directly to that PAC.

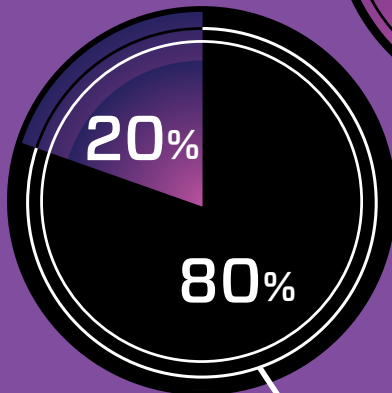

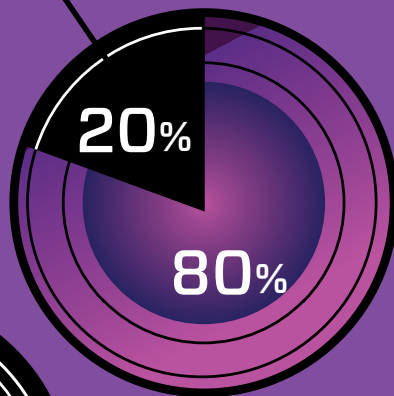

# Fund Allocation
