

Texas Residential Property Manager

Property owners want a real estate professional who understands the ins and outs of managing properties. Learn why REALTORS® with exceptional property management skills and knowledge can add significant value to an investment and are worth their weight in gold.

This statewide certification offers 18 hours of CE credit with the completion of these six three-hour courses:

- The Texas REALTORS® *Residential and Leasing Property Management Agreement*
- Residential Evictions
- Tenant and Owner Relations
- Property Maintenance and Habitability
- Statutory Acts and Contingency Planning
- Property Management Business Issues

You must complete the Texas Residential Leasing Specialist (TRLS) certification and be a member of Texas REALTORS® to earn the TRPM certification.
